LYRASIS Members and Sloan Foundation

Commencement

University of North Carolina Wilmington

Sixty-eighth Commencement Exercises
Saturday, the eleventh of December
Two thousand and four

Nine forty-five o'clock in the morning

Trask Coliseum

Graduation Pledge

*“ I pledge to explore and take
into account, the social and
environmental consequences
of any job I consider and will
try to improve these aspects
of any organization for which
I work.”*

UNCW is a member of the Graduation Pledge Alliance, a national movement that encourages graduates to take an active role in creating a responsible citizenry and better world. Students who have voluntarily taken this pledge are wearing green ribbons on their graduation gowns today.

Catherine Ward Morgan

magna cum laude

Sarah Denise Surles Strong

This ceremony includes persons who expect to complete all their requirements at the end of fall 2004 semester. Therefore, this listing of degree candidates remains tentative for fall graduates. The diploma of the university signed by its proper officers remains the official testimony to the possession of a degree. Academic honors designations for fall graduates printed in this program are based on performance through the Spring 2004 semester.

The Graduate School

July 2004

Master of Arts Degree

Brett Thomas Hagman
Heather Hope Hill
Kerrie Patricia Holian
Roxanne Gail Howard

Dustin Brice Morris
Gregory Michael Neubauer
Marianella Jara Smith
Meng Wu

Master of Business Administration Degree

Jessica Ramsey Kalom

Master of Education Degree

The University Seal

The seal of the University of North Carolina Wilmington has evolved over the years. Originally, there were no pine boughs on the seal. A compass, square, quill and triangle were depicted to represent the pre-engineering program offered by Wilmington College. Today's seal retains the triangle as a reference to our roots, adds the pine boughs for the longleaf pine, indigenous to North Carolina, and the scroll for a diploma-issuing university. The UNCW Seahawk, our mascot, appears at the top of the pine boughs, and 1947, the date of the establishment of Wilmington College, appears at the bottom.

UNC Wilmington's unique motto, *Discere Aude*, was created by Dr. William Madison Randall, the next to the last president of Wilmington College. It has been defined as both "Dare to learn" and "In order to discover the truth firsthand, be courageous!"

The University Mace

The UNCW Mace, carried by the chief faculty marshal at commencement, incorporates elements and materials important to the history of our university and region. The boss, or top of the mace, represents the essence of education, the flame of learning. It was designed to embody humankind's timeless pursuit of knowledge and quest for truth.

Below the boss are four official seals important to the university's history. They represent New Hanover County, Wilmington College, the University of North Carolina and the University of North Carolina Wilmington. Four bands on the shaft symbolize UNCW's four academic areas: the College of Arts and Sciences, the Cameron School of Business, the Watson School of Education and the School of Nursing.

The terminus, or end piece, consists of a longleaf pinecone to symbolize the longleaf pine tree common to the landscape of Southeastern North Carolina. The longleaf pine is also the state tree.

The boss and terminus are cast bronze and gold-plated. The shaft is made of live oak, a tree indigenous to the area, often associated with strength and endurance. Four gold-plated bands on the shaft resemble dentil moldings common to the Georgian architecture of our campus. The bands are inlaid with mother-of-pearl to symbolize the university's ties to the Atlantic and leadership in marine studies.

The mace was designed by Jeff Morvil, a Wilmington artist, and created by Marvin Jensen, a sculptor from Penland, N.C.

The University

The campus of the University of North Carolina Wilmington, dotted with grand pine trees and welcoming modified Georgian architecture, offers a refuge of education and learning amidst the commercial bustle of South College Road. The university's prestige has grown in recent years, as has its population, including almost 11,500 students and nearly 2,000 faculty and staff. Over the past decade, UNCW has strengthened its undergraduate teaching and overall academic excellence to become one of the top 10 public universities in the South.

Wilmington College was founded in 1947 and moved to three buildings on the College Road site in the early 1960s. In 1969, the campus became the University of North Carolina at Wilmington. Today, the university extends to 102 buildings over 648 acres. More than 2,359 students reside in eight residence halls, 13 apartment buildings and seven suites. In addition, the Center for Marine Science is located on 56 acres adjacent to the Intracoastal Waterway, across from Masonboro Island.

The university is organized into the College of Arts and Sciences, the Cameron School of Business, the Watson School of Education, the School of Nursing and the Graduate School. Undergraduates may select from 71 degree programs. UNCW offers a doctorate in marine biology, one of only three such degrees available on the East Coast, and 26 areas for master's level study. The Division for Public Service and Continuing Studies keeps a community of all ages challenged with many useful and enriching courses, such as science-by-the-sea day camps or adult scholar luncheons.

With \$108 million from the North Carolina Higher Education Facilities Bond Issue, UNCW is undertaking the largest construction effort ever in its 57-year history. Three classroom facilities are being built and eight existing structures are being renovated. Construction was completed in August on the building housing the Watson School of Education.

The UNCW Seahawks compete in the Colonial Athletic Association as a NCAA Division I program, fielding 19 varsity teams. UNCW student-athletes have consistently posted one of the highest GPAs in the UNC system. In 2004, the baseball team won its first conference title and advanced to the championship round of the regionals for the second straight season. The women's and men's golf teams, men's swimming and diving team, and the track and field team all competed in NCAA championships.

Academic Regalia

The academic regalia usually recognizes three different academic degrees: the bachelor, the master and the doctor. The name of each degree was derived by medieval university custom. The bachelor's degree, or baccalaureate, takes its name from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach and sometimes was followed by the express words "Licentia Docendi." The doctor's degree, when earned by study, as is true of the Doctor of Philosophy degree, indicates advanced study and independent research in a specialized field of learning, whereas honorary degrees are granted for meritorious service and for distinction in public or private endeavor.

In the medieval university, students and teachers wore gowns indicating their status and scholastic achievement. Those holding a bachelor's degree wear a gown of worsted material, fastened at the top, and distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom of a slit for the arm near the middle of the sleeves. The doctor's gown, also worn open, is faced with a broad strip of velvet and has three bars of velvet on each sleeve.

A hood may be worn with the gown. The bachelor's hood is three feet long, with a two-inch strip of velvet; the master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long and faced with a five-inch strip of velvet. The color of the tassel or the velvet strip on the hood indicates the field of study in which the degree was earned or granted; for example: Arts, white; Science, yellow; Education, light blue; Nursing, apricot; Business, drab. Each hood is also lined in silk with the colors of the institution which granted the degree. UNCW's hood is lined with green and gold.

The appropriate cap for all degrees is the familiar black "mortarboard." A black tassel, or one of the colors signifying the field of specialization, hanging to the left of the face, is appropriate for all degrees. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study or, with the "mortarboard," they may wear a tassel in whole or in part of gold thread.
